Each year, the Coalition asks our members to come to the State House to call for more resources to prevent and end homelessness. This year we will be hosting **Legislative Action Day on Wednesday, February 29th (Leap Day!) in the Great Hall of the State House.** Registration will begin at 9 a.m., followed by a morning session at 9:30 a.m., and appointments with State Representatives and State Senators from noon to 3 p.m.

We will have exciting and engaging series of speakers including legislators, religious leaders, providers, and youth who have experienced homelessness. Then in the afternoon, everyone can have an opportunity to meet with the legislators and aides to talk about homelessness and the various campaigns that the Coalition is working on. Please click here for the agenda for the day.

Click here to see the Coalition's FY'13 budget priorities related to housing, homelessness prevention, emergency services, cash assistance programs, and educational resources. The side bar also includes links to more information about the Coalition's main budget and bill priorities. Additional materials will be posted shortly.

Pre-registration for Legislative Action Day is still open! You can register online, directly through our new website. Click here to register online today! You also can download the registration form here and then mail, fax, or call in your response.
