

Somerville's Naveo Credit Union receives visit from Tuck the Bear

Tuck the Bear recently visited Naveo Credit Union's two branches in Somerville and Cambridge, in support of A Bed for Every Child — an initiative that provides new beds to children who do not have one.

A Bed for Every Child is the brainchild of the Massachusetts Coalition for the Homeless, one of Naveo Credit Union's charities of choice.

"Most of us take for granted the bed that we sleep in each night," said Robyn Frost of A Bed for Every Child. "But for thousands of Massachusetts children who are growing up in poverty without a bed of their own, it's a very basic need that many of these families simply cannot afford.

"We are so grateful to Naveo Credit Union for its generous support. We have responded to the experts that report that a good night sleep is an essential element of a child's wellbeing by delivering over 5,000 beds to children living in poverty in the Commonwealth."

Tuck's visit to Naveo Credit Union served to raise funds and awareness for the initiative. Donations collected at the branches will be directed toward purchasing beds for children who do not have one in the Cambridge and Somerville area.

"We are happy to provide funding for much needed beds in the Cambridge and Somerville area," Naveo Credit Union CEO Rui Domingos said. "Robyn and her team do a great job working with community partners and reaching children in low-income families. We hope this program leads to children excelling in school and eventually excelling in life. A Bed for Every Child has a huge impact on a child's life, and we are happy to support this program however we can."
