

# Every Child Without a Permanent Home has a Right to an Education.

If you live in a shelter, motel, vehicle, or campground; on the street; in an abandoned building, trailer, or other inadequate accommodations; or with friends or relatives because you cannot find or afford housing, then your child has certain rights and protections under the McKinney-Vento Homeless Education Assistance Act.

Your child has the right to:

- Access the same free and appropriate public education, including a public preschool education, as provided to all other children.
- Remain in the school he/she attended before becoming homeless.
- Receive transportation to the school they attend before your family became homeless or the school they last attended if you or a guardian requests such transportation.
- Enroll in school without giving a permanent address. Schools cannot require proof of residency that might prevent or delay school enrollment.
- Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.
- Enroll and attend classes in the school of your choice even while the school and you seek to resolve disputes over enrolling your child.
- Receive the same special programs and services, if needed, as provided to all other children.
