

# The Casa Project's Health-Related Social Needs Form

MCH's Casa Project offers services in partnership with MassHealth as well as several ACOs to help individuals who are experiencing challenges with homelessness, housing instability, and unhealthy living conditions.

Complete the form below if you are a  
**Massachusetts resident on MassHealth.**

## Services Provided:

- **Housing Search** – Assistance finding housing for individuals 55 years and older.
- **Transition Support** – Help with rent, security deposit, and furniture for those aged 55 years and older moving from homelessness to housing.
- **Housing Navigation** – Support for those facing housing instability and frequent ER visits.

## Referrals:

- Scan the QR code to fill out a quick form for yourself or someone else.
